Subject:

Regarding the provision for the reversion of unspent Delegated Work

Funds to ZPs and PSs from GPs in the e-Gramswaraj Portal.

Sir/Madam,

With reference to the subject mentioned above, I would like to bring to your attention certain technical issues raised by the elected representatives of Zila Parishads (ZPs) and Panchayat Samitis (PSs) regarding the utilization of the, 15th Finance Commission (FC) funds through the e-GramSwaraj Portal.

Works delegated to Gram Panchayats (GPs) by ZPs and PSs occasionally face obstacles in execution, such as land disputes, court litigations, and other reasons like prior execution of same work from other schemes. As a result, these Activities are marked as not started, and the funds are shown as unspent for execution within the concerned GPs.

In response, the Ministry of Panchayati Raj (MoPR) has now provided a mechanism for reverting unspent funds back to the accounts of ZPs and PSs. These funds can then be reallocated for new activities under supplementary plans either for the same GPs or other GPs. However, it is important to note that ZPs and PSs may only create supplementary plans on a request basis, as the MoPR has ceased allowing supplementary plans for the previous year.

In light of the above, you are kindly requested to revert the unspent amounts in accordance with the Standard Operating Procedure (SoP) attached herewith. Additionally, please provide the details in the prescribed Excel format at the earliest so that we may formally request the MoPR to open the supplementary plan process. Your prompt action on this matter would be greatly appreciated.

Yours faithfully,

Signed by

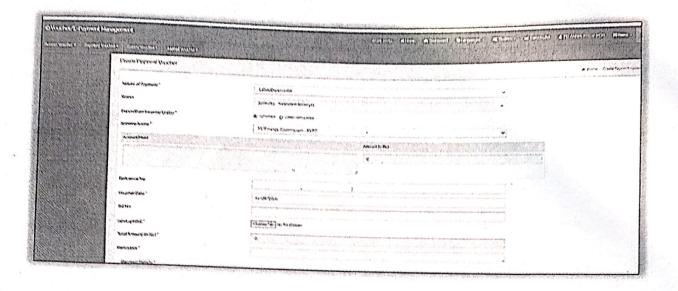

Raghav Sharma (Raghay Sharma), IAS Director Office Special Secretary (RD & PR),

Government of Himachal Pradesh
